

20th July 2021

To all Tourist Establishment Holders,

Informing to adhere the Health Guideline.

This is to inform you to strictly adhere the attached Health Guidelines which issued by the Ministry of Health to all Tourists Establishments.

We are very much aware the difficulties that you are facing right now due to the Covid-19 pandemic. To overcome this situation the Health Ministry has issued the guidelines. Therefore, we would like to you to support and follow the guidelines.

However, if we find any tourists' establishment is not following the given guideline, after an inspection we will cancel their Licence to carry on their business.

Therefore, we strictly inform you to follow the Guide Lines to ensure a safe business environment.

Thank you!
