## Opportunity for Migrant Returnees in Tourism MSMEs

We are pleased to inform you a new project implemented by the International Labour Organization (ILO) and the International Organization for Migration (IMO), with funding support from the Government of Japan. This initiative targets migrant returnees who engage in Sri Lanka Tourism Micro, Small and Medium Enterprises (MSMEs in the accommodation sector) registered with the Sri Lanka Tourism Development Authority (SLTDA).

The goal of this project is to support migrant returnees and communities in vulnerable situations by uplifting their livelihoods and enhancing their skills. It will provide comprehensive support to 25 selected MSMEs in the tourism accommodation sector, including training, mentoring, coaching, and other essential assistance. This opportunity is available to tourism MSMEs operating in the districts of Matara, Galle, Nuwara Eliya, Jaffna, Kurunegala, Puttalam, and Trincomalee.

If you or a member of your family is a migrant returnee or in a vulnerable situation, please fill out and submit the online application form provided herewith. Should you require further details regarding this project, feel free to contact the project coordinating staff at the email address below:
