Important Update: Transition of Tourism Development Levy (TDL) Payments to GovPay

SLTDA-Registered Establishments,

The Sri Lanka Tourism Development Authority (SLTDA) wishes to inform all registered tourism establishments of an important update regarding the payment of the Tourism Development Levy (TDL).

Effective from 22 December 2025:

1. All TDL payments must be made exclusively through GovPay, the official government digital payment platform.
2. Cash and cheque deposits to TDL Account No. 0073104820 will no longer be accepted.
3. Direct bank transactions outside of GovPay will not be permitted.

This transition is part of SLTDA's digital transformation initiative, aimed at streamlining TDL collection, improving transparency, and enhancing operational efficiency.

All establishments are kindly requested to ensure that:

- All future TDL payments are made via GovPay.
- Any pending payments via cash, cheque, or other non-GovPay methods are processed before 22 December 2025.

We appreciate your cooperation in adopting this mandatory digital payment system. For any queries or assistance regarding GovPay, please visit our official SLTDA web portal or contact our helpdesk.

Thank you for supporting this national digital initiative.

TDL Team
